Healthcare – The Fastest Growing Career Opportunity in India

As per the NITI Aayog report,
Healthcare sector is the 2nd largest employer in India

Healthcare has become one of the largest sectors of the Indian economy, in terms of both revenue and employment. It has been growing at a CAGR of 22% since 2016, employing 7.4 Million people directly. The sector has the potential to generate over 500,000 new jobs per year.

Growth Trend of India's Healthcare Sector (USD Billion)
2008-2022

Surging demand
2nd largest employer

High career growth
50 lac jobs by 2024

Top-notch salaries
22% annual growth

India needs at least 5 million Allied Healthcare Workers in next 2-years!

As per the BCG report, assuming the demand for allied healthcare worker per 1,000 people to be consistent, India would need 50,00,000-70,00,000 AHPs by the year 2024. while availability is in the range of ~8,00,000-1,100,000.

The Government of India (GoI) in 2018 recognised 15 categories of healthcare professionals. These 15 categories are further sub-divided into 53 sub-categories
